**B. Head of School Report – Sonimar Villegas**

Personnel Report: October 16 - November 15 was shared regarding recent new hires and separations. In addition to these, we will be hiring a new Assistant Principal which will be presented at the next school board meeting.

Private Alternative School presented. This school will give students another opportunity to graduate. This is a program approved by ODE to work with public schools. We will be able to claim ADM for these students. This will help to increase our graduation rates as well.

Student Handbook updates. Destinations Career Academy of Oregon; requirements to be enrolled in the school, credit requirement. Students over the age of 18 become eligible individuals. This means the parents rights transfer to the student. Vacations, student need to plan around the school calendar, expectations are to be in class.

PERS: Resolution to participate in unused sick leave program. Once approved, when teachers leave the school, or retire we will be able to transfer their sick leave hours to PERS. This is a benefit to employees and will make our school more attractive for potential candidates.
